ECCWA is Celebrating Women

for INTERNATIONAL WOMEN'S DAY
#IWD2020 #EachforEqual
Sunday March 8, 2020

ECCWA is encouraging all its members to host a Not-for profit event celebrating women and focusing on the theme for this year of "an equal world is an enabled world." Celebrate women's achievement and raise awareness against bias. Take action for equality and invite members from other communities to join your event. Host your event on/or around the 08.03.2020 and register your event with ECCWA.

ECCWA will support and publicise your event to our members, place it on our website and Facebook. ECCWA would also love to receive any pictures of your events. We also encourage you to advise us of the numbers attending your event and the various communities/ cultures

they are from so that we can present the Community/Organisation that has the largest number of participants from different cultures an award.

ECCWA will then host an International Women's Day Networking event on Friday 20/03/2020 at the North Perth Town Hall (26 View Street North Perth) from 6.00pm to 9.00pm that allows for two representatives from each Registered community event to showcase their event. The award will then also be presented to the Community who successfully engaged with the largest number of participants from different communities and cultures.

Registration of your event can be done by email to lloyd@eccwa.org.au or contacting ECCWA on 92275322 or on 0433998281.

If you have any enquiries or need more information please contact Nihal or Lloyd on the above numbers. Our Women's Vice-President Dr Tuna Dincer will also be more than happy to have conversations with any community members.
